

~~TOP SECRET//COMINT//NOFORN~~

UNITED STATES
FOREIGN INTELLIGENCE SURVEILLANCE COURT
WASHINGTON, D.C.

ORDER

This matter is before this Court for review of DNI/AG 702(g) Certification [REDACTED] and the amendments to DNI/AG 702(g) Certifications [REDACTED]. On [REDACTED] 2011, and again on [REDACTED] 2011, the Court, on the motion of the United States, extended the time limits established by 50 U.S.C. § 1881a(1)(B) and (C) for this Court to complete its review of, and issue orders under 50 U.S.C. § 1881a(i)(3) concerning, the above-referenced Certifications. The current deadline is September 20, 2011.

Given the complexity of the issues presented in these matters coupled with the Court's need to fully analyze the supplemental information provided by the government in recent filings, the last of which was submitted to the Court on September 13, 2011, the Court will not be able to complete its review of, and issue

~~TOP SECRET//COMINT//NOFORN~~

~~in Docket Number captioned above~~

~~TOP SECRET//COMINT//NOFORN~~

orders under 50 U.S.C. § 1881a(i)(3) concerning, DNI/AG 702(g) Certification [REDACTED] and the amendments to DNI/AG 702(g) Certifications [REDACTED] by September 20, 2011. On September 13, 2011, the Court orally informed the government that it intended to issue a one-week extension. The government informed the Court that, for technical reasons, such a brief extension would compromise the government's ability to ensure a seamless transition from one Certification to the next. Instead, the government requested that the Court issue an extension for a longer period of time.

Title 50 U.S.C. § 1881a(j)(2) permits this Court, by order for reasons stated, to extend, as necessary for good cause in a manner consistent with national security, the time limit for this Court to issue orders under 50 U.S.C. § 1881a(i)(3) concerning DNI/AG 702(g) Certification [REDACTED] and the amendments to DNI/AG 702(g) Certifications [REDACTED]

By operation of 50 U.S.C. § 1881a(i)(5)(B), the authorization in the certification to be reauthorized, DNI/AG 702(g) Certification [REDACTED] continues beyond its stated expiration date until this Court issues an order under 50 U.S.C. § 1881a(i)(3) concerning DNI/AG 702(g) Certification [REDACTED]¹

This Court finds that there is good cause to extend the time limit for its review of DNI/AG 702(g) Certification [REDACTED] and the amendments to DNI/AG 702(g)

¹ Nothing in this Order should be construed to expand the scope of collection authorized under the Act and previously approved by the Court.

~~TOP SECRET//COMINT//NOFORN~~

Certifications [REDACTED] beyond September 20, 2011, and that such extension is consistent with national security.

WHEREFORE, IT IS HEREBY ORDERED, pursuant to 50 U.S.C.

§ 1881a(j)(2), that the time limit for this Court to complete its review of, and issue orders under 50 U.S.C. § 1881a(i)(3) concerning, DNI/AG 702(g) Certification [REDACTED] and the amendments to DNI/AG 702(g) [REDACTED] is EXTENDED to October 10, 2011.

ENTERED this 14th day of September, 2011.

JOHN D. BATES
Judge, United States Foreign
Intelligence Surveillance Court

UNITED STATES
FOREIGN INTELLIGENCE SURVEILLANCE COURT
WASHINGTON, D.C.

NOTICE OF EXTENSION

This matter is before this Court under 50 U.S.C. § 1881a(j)(2) of the Foreign Intelligence Surveillance Act of 1978, as amended ("the Act"). This Court hereby extends the time limit established by 50 U.S.C. § 1881a(i)(1)(B) for this Court to complete its review of, and issue an order under 50 U.S.C. § 1881a(i)(3) concerning, DNI/AG 702(g) Certification [REDACTED]. In issuing this extension, this Court has considered the following:

1. DNI/AG 702(g) Certification [REDACTED] reauthorizes DNI/AG 702(g) Certification [REDACTED] which had an expiration date of [REDACTED] 2011.
2. The government submitted DNI/AG 702(g) Certification [REDACTED] to the Court on [REDACTED] 2011.
3. The current deadline for the Court to complete its review of, and issue an order under 50 U.S.C. § 1881a(i)(3) concerning, DNI/AG 702(g) Certification [REDACTED] is September 20, 2011.

4. 50 U.S.C. § 1881a(j)(2) permits this Court, by order for reasons stated, to extend, as necessary for good cause in a manner consistent with national security, the time limit for this Court to issue an order under 50 U.S.C. § 1881a(i)(3).

5. By operation of 50 U.S.C. § 1881a(i)(5)(B), the authorization in the certification to be reauthorized, DNI/AG 702(g) Certification [REDACTED] continues until this Court issues an order under 50 U.S.C. § 1881a(i)(3) concerning DNI/AG 702(g) Certification [REDACTED].

This Court has found, for the reasons set forth in its separate order of this date in the above-captioned matter, that there is good cause to extend the time limit for its review of DNI/AG 702(g) Certification [REDACTED] beyond September 20, 2011, and that such extension is consistent with national security. Accordingly, the time limit for this Court to complete its review of, and issue an order under 50 U.S.C. § 1881a(i)(3) concerning, DNI/AG 702(g) Certification [REDACTED] has been extended to October 10, 2011.

Signed this 14th day of September, 2011.

The first of these is the fact that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The second is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The third is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The fourth is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The fifth is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The sixth is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The seventh is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The eighth is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The ninth is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable. The tenth is that the system is not a simple one. It is a complex system, and the behavior of the system is not predictable.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office of National Statistics, 2000).

There is a growing awareness of the need to address the health care needs of the ageing population. The Department of Health (2000) has set out a vision for the future of health care for older people, and the Department of Health (2001) has set out a strategy for the future of health care for older people. The strategy is based on the following principles:

- Older people should be able to live as independently as possible.
- Older people should be able to live in their own homes for as long as possible.
- Older people should be able to live in their own communities for as long as possible.
- Older people should be able to live in their own homes for as long as possible.

The strategy is based on the following principles:

- Older people should be able to live in their own homes for as long as possible.
- Older people should be able to live in their own communities for as long as possible.
- Older people should be able to live in their own homes for as long as possible.

The strategy is based on the following principles:

- Older people should be able to live as independently as possible.
- Older people should be able to live in their own homes for as long as possible.
- Older people should be able to live in their own communities for as long as possible.
- Older people should be able to live in their own homes for as long as possible.

The strategy is based on the following principles:

- Older people should be able to live as independently as possible.
- Older people should be able to live in their own homes for as long as possible.
- Older people should be able to live in their own communities for as long as possible.
- Older people should be able to live in their own homes for as long as possible.

The strategy is based on the following principles:

- Older people should be able to live as independently as possible.
- Older people should be able to live in their own homes for as long as possible.
- Older people should be able to live in their own communities for as long as possible.
- Older people should be able to live in their own homes for as long as possible.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 65 and over is projected to increase to 7.5 million by 2011, and the number of people aged 75 and over to 5.5 million (Office of National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.

The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.
